v.)

UNITED STATES DEPARTMENT)
OF LABOR,)Respondent.)

Case No. 80-BCA/CETA-84

REMAND ORDER

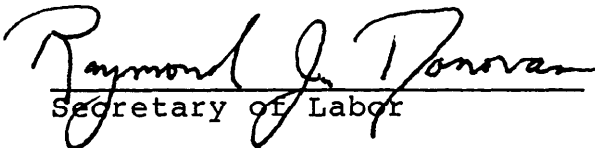

Now before me, in regard to the above-captioned matter, are 1) a "Joint Motion to Remand," addressed to the U.S. Court of Appeals for the Third Circuit in Westmoreland County Employment and Training Administration and Westmoreland County Board of Supervisors v. United States Department of Labor, No. 82-3365, by the three parties named in that case title; 2) an Order by the court, dated January 25, 1984, granting that motion; and 3) a "Stipulation of Settlement" addressed to me and signed by the two Westmoreland County parties and the U.S. Department of Labor Employment and Training Administration Grant Officer.

The "Stipulation of Settlement" provides, inter alia, that "[d]isallowed costs of \$6,222 associated with a WCETA subgrant to the Westmoreland Community College (WCC) are to be resolved with allowable CETA costs of \$10,616 incurred in by WCC for

the grant and annual plan period covered by the audit for which WCC did not request WCETA reimbursement during the audit period"; that "[t]he Department will make the necessary adjustments in accounts to allow these costs to stand-in for the disallowed costs of \$6,222"; and that "said Stipulation of Settlement is the full, final, and complete resolution of the instant case."

Because the above-quoted "Stipulation" language suggests the possibility that some further steps requiring administrative tribunal approval may be required, and in view of the Administrative Law Judge's familiarity with the record in this case this matter should be remanded to the Office of Administrative Law Judges.

Accordingly, it is Ordered that the above-captioned matter IS REMANDED to the Office of Administrative Law Judges for further action consistent with the above-referenced 'Joint Motion,' court Order granting that motion, and "Stipulation of Settlement.'
